Re: United States v. Daniel Resnick
Dkt. No. 7:21-mj-11991-UA-1

Your Honor:

I write regarding a Bond order entered by Magistrate Andrew E. Krause on December 16, 2021, requiring, among other things, that the defendant provide certain documents related to title to his home, which is used as security for the Bond, by December 27, 2021. Despite the defense' best efforts, we have yet to receive all these documents and therefore, request that Your Honor grant an additional seven (7) days, until January 3, 2022, to secure these documents and provide them to the Government, which consents to this application.

So ordered 12/27/21

Thank you for every consideration.

Respectfully submitted,

PATRICK A. MULLIN
